

Call for support of the Naomi Masks Project

Tuesday 5th May 2020

The NAOMI Masks Project employs five people all of whom have qualified through the educational programme of the NAOMI Textile Academy in Thessaloniki. All legal requirements have been fulfilled and conditions of employment are fair.

This project and the team are pursuing one of NAOMI's fundamental aims, namely to give work and income to people in difficult times. By supporting this project you give refugees and migrants a chance to re-orientate and to build new lives in Greece and, at the same time, to provide others in the camps with much needed protection.

Specifications:

1. 100% cotton, double face: single-side printed and other side plain
2. 100% organic cotton, Colour black, dense-weave cotton, single layer
Sewn-in wire to enable close fit over the nose

Application:

Masks should be worn for a maximum of two hours before disinfecting:

- in boiling water for 5 minutes
- in an oven at 80°C for 5 minutes
- by ironing at setting for cotton
